Dear Mount Hermon Volunteers and Friends,

Have we got an opportunity for you! Due to an Outdoor Science School moving to the fall, we have Monday April 19th to Friday the 23rd available for sprucing up Ponderosa Lodge and Redwood Camp. We are looking for skilled and un-skilled folks to help tackle projects. If you come and commit to working 6 hours a day, we will provide you lodging for free in a Ponderosa Cabin or Guest Room. Lodging will be assigned based on need, with the guest rooms going to married couples based on seniority.

Major Projects for Skilled Volunteers

If you can help us by making a \$10 per person per day donation to cover the cost of the wonderful meals we will be providing, we can stretch our resources even further. If you are bringing school age children they must be able to work with you safely and according to OSHA regulations. If you are bringing children who can not work, there must be one adult who can watch them and those not working must pay for meals. We will open the pool for two hours each day from 3:30-5:30 if requested.
