

Scholastic Book Club Orders:

We will make book orders available each month. When you order your own books you are helping our classroom earn FREE books, software and resources.

- If you choose to return the orders to school, you can pay for all the orders for one month with one check. Just put all orders in an envelope along with your check and mark “book orders” and drop in the basket on the sign-in counter. Write the check to Scholastic Books.
- We, however, recommend that you order online. Each order gives our school a FREE book. You can browse all the great monthly Club selections at low prices and place your order from your own home right up to the online order due date. There are special offers only available online. Here’s how it works:
 1. Go to: <http://scholastic.com>
 - Click on Book Clubs and create your own account and password.
 - Use class code GYBPK
 2. Browse the titles with your child, and place your order with your credit card. (Your online credit card order is completely safe and secure.)
 3. Your order will come to the school, and your credit card payment will go directly to Scholastic’s secure server. There’s no need to send in your order and money to school.
 4. After I submit the entire class’s order to Scholastic, your order will be delivered to our classroom for your child to take home.
