MINIMUMS

One Night & Three meals is the minimum package required for an overnight conference. Should a conference that is staying more than one night wish to make a reservation for less than three meals per night stayed, the deduction for adults and youth is as follows: Breakfast \$1, Lunch \$2, & Dinner \$3.

- Minimum number of guests per group when multiple groups are on grounds:
25 full-time registrants
- Minimum number of guests, if no other conference is on grounds:
75 full-time registrants
- Minimum number of guests for exclusive use:
550 full-time registrants; 340 full-time registrants for a couple's conference

PART-TIME GUESTS

Throughout our many years of working with guest groups, we have come to realize that while allowing for part-time attendance may seem favorable initially, it actually ends up taking away from the overall community dynamic. Therefore, we do not encourage part-time attendance.

However, should a retreat group need to accommodate a part-time guest, the minimum overnight charge will be the one night & three meal rate:

	Adult	Youth <i>when a youth rate applies</i>
Deluxe	\$147	\$66
Standard	\$120	\$54
Economy	\$93	\$41

RESERVATION INFORMATION

Upon making a reservation, a contract will be sent with deposit information. Once the signed contract is received, a planning guide will be sent to aid in preparing for your conference.

Conference business and registration is handled in one account through the conference coordinator for your event.
