Due to our housing accommodations, family retreats may be more challenging to schedule. However, Ponderosa Lodge currently serves a handful of successful family retreats. Should a family group wish to book, a youth rate may be applied as follows (for 2 nights & 6 meals): Adults Ages 18+, \$140; Youth Ages 4–17, \$66; Children 0–3, Free. The youth rate only applies when part of a family retreat and in room/cabin with adults. Youth Meal Rates are as follows: Continental Breakfast \$4, Breakfast \$4, Brunch \$7, Lunch \$6, Dinner \$8.

A minimum booking number of 125 is required for our family groups. Approximately 90% must be full-time adults and approximately 10% may be full-time youth.

## ADDITIONAL RATE INFORMATION

**Value Season:** A 10% discount per full-time registrant is available during the calendar dates of November 15–January 31.

**Booking less than three meals per night stayed:** Should a group like to make a reservation for less than three meals per night stayed the deduction allowance for adults and youth (when a youth rate applies) is as follows: Breakfast: \$1, Lunch \$2, & Dinner 3\$. There are no refunds for missed meals.

**Recreational Fees:** Additional recreation options (Swimming pool, Adventure Facilities, etc.) are available and fees vary depending on requests.

**Daily Registration:** Retreat guests not staying overnight will be charged \$8 per day, and \$5 per day for youth (when part of a family conference).

**Part-time Guests:** Throughout our many years of working with guest groups, we have come to realize that while allowing for part-time attendance may seem favorable initially, it actually ends up taking away from the overall community dynamic. Therefore, we do not encourage part-time attendance. However, should a retreat group need to accommodate a part-time guest, the minimum overnight charge will be the one night & three meal rate: Adult \$102, and Youth \$44 (when a youth rate applies).

**Missed Meals:** There are no refunds for missed meals. Because we base our pricing off packages, if a conferee decides not to attend a meal during his/her conference stay, there will be no monetary deduction for doing so.
